Elections

By: Katie Reinbold, Clerk

Town caucus will be held on January 10th, 2019 at 7:00 p. m. at the town hall. The caucus serves as a Primary Election for town offices. At the caucus we will be selecting the individuals whose names will appear on the ballot for the various town offices for the Spring Election. If you have ever considered serving in a public office please attend. There will be 1 vacancy this year: Treasurer.

Road Report

This past year our road budget was \$130,000 of which we used to pulverize and double seal Weir DR, Sunset Lane, North Point DR, and Maria Lane. All of these roads are south of the river and lightly traveled. Our other major project was wedging and a few little overlays on Cottonville Court along with 3 miles of seal coat and 3/4 of a mile was double sealed. We also had Ripon Truck do a complete mow back of the road right away. Parts of 32nd Dr., 33rd Ln., and 34th Rd. all had shoulder work done in order to help prolong the life of the road. These are the major projects, which doesn't include new signs, brush, tree removal, pot hole filling and snow plowing. Which reminds me that we do have a new company that will be plowing the roads this winter. Mike and Greg Retzlaff will be doing the plowing this winter for the township. We don't have a large budget for the roads but we do our best to keep them in reasonable conditions.

Chairman's Report

This year has been quite interesting for the Town Board. The City of Berlin has decided to withdraw from the ETZA (Extraterritorial Zoning Agreement). For the past 24 years the City of Berlin had zoning jurisdiction in six sections of the Town of Aurora that boarded the City of Berlin. What does this mean for you? Well, it means that we all will have our zoning and permits administered through Waushara County. One other thing that has been on the board's radar is ambulance service for the town. The Town of Aurora helps pay for Waushara County service which is county wide, but because of your geographic location to the City of Berlin, we have been contracting with the City of Berlin. With budgets getting tight and the difficulty of finding volunteers, the city is working with Green Lake County to do a feasibility study on creating a county wide ambulance service. As of now things will remain the same and the board will work to give you the best coverage available.
